PARKING PRIVILEGE REGISTRATION

A principal or designee may search including but not limited to, their person, briefcase, book bag, purse, package, locker, storage area and vehicle, upon reasonable suspicion of prohibited or illegally possessed substances or subjects. (F.S.S. 1006.09)

Flagler Palm Coast High School believes all students are responsible for helping to maintain a safe and orderly environment. The rules and procedures listed below are to assist the students of FPC to maintain this environment. ALL VEHICLES MUST BE PROPERLY REGISTERED. Without a parking permit, you will not be allowed to park on campus. **To receive a parking permit, all students must meet eligibility requirements of: Student must have a 2.0 GPA to apply and have no more than 5 unexcused tardies or absences and have completed parking agreement and FPC parking privilege registration paperwork. You may not have a debt. All debts must be cleared before purchasing a parking decal.** Student must present a valid driver's license, current vehicle registration, and proof of insurance. The price for a decal is \$25.00 for all students per year. Parking decals are non-transferrable.

Students must maintain a 2.0 GPA to be eligible to park on campus. Grades will be checked periodically and driving privileges will be suspended for those students who fall below a 2.0 GPA. Parking permits must be turned in, once privileges are suspended. To replace a parking permit for any reason the student must purchase a new one for \$25.00.

Students are to park in their assigned areas. Parking permits must be placed on the lower corner of the front windshield (driver's side) or if hanging permit assigned, must be hung on rearview mirror facing outward. **Vehicles not properly registered or parked will be issued a school citation or towed at owner's expense. This includes vehicles with non-visible parking permits.** After three citations, a student's driving privilege can be suspended or revoked at the discretion of the Principal or Designee.

Students will not use their cars as lockers and will not return to the parking lot during the school day, including lunch breaks and class changes. Students will exit their cars and parking lot immediately upon entering school. Teachers cannot write passes to vehicles.

If an emergency occurs that requires you to **drive another vehicle to school or the vehicle you have registered with the dean's office changes for any reason, please report to the DEAN'S OFFICE upon arriving to school to receive a temporary permit or update the information.** Make arrangements to arrive to school early enough, so getting a temporary pass does not cause you to be late (not an excuse).

THE FOLLOWING ARE EXAMPLES OF BEHAVIORS THAT WILL RESULT IN THE SUSPENSION OF OR LOSS OF PARKING PRIVILEGES ON CAMPUS. STUDENT DRIVING PRIVILEGES ARE REINSTATED AT THE DISCRETION OF THE PRINCIPAL OR DESIGNEE.

PARKING PRIVILEGE REGISTRATION

***Loss of Driver's License Due to Non-Attendance**

The school is required to submit to the Department of Highway Safety and Motor Vehicles (DHSMV) the name of the student for any student who accumulates excessive unexcused absences in a period of 90 calendar days. If a student's name is sent to the DHSMV for lack of attendance, the student is in danger of having his/her current privilege to drive suspended. The driving privilege may be reinstated if the student submits written verification to DHSMV that the student has completed 30 days of attendance in school without an unexcused absence or unexcused tardy. A hardship waiver hearing may be available with the school principal/designee in cases where the driver has been notified by DHSMV of loss of driving privilege.

Flagler Palm Coast High School does not assume responsibility for your vehicle or other personal items. Please help by keeping your vehicle locked and valuables kept out of sight.
